

Alison Fernando has been named the **Community Support Worker** for the month of July. Ali came to Green Door in November of 2007. She has served on **the Trauma Team** since she arrived and has done some inspiring work with many challenging **members**. Ali contributes to her team in numerous ways; she is available **to other Community Support Workers** for advice and guidance **and crisis** management. **She always goes** the “extra mile” for **members** and colleagues. She has recently done some incredible work in getting severe and chronic **folks** out of the hospital, resulting in symptom reduction and stable living situations. Ali’s dedication, insight, and respect for her work have greatly contributed to the mission of Green Door. **Her easy style**, compassion, and sense of humor enhance her connection to **the Green Door members**. **She is a wonderful colleague.**

Thanks for all you do Ali !!!!!
